The Vernacular records were examined

The local officers do not appear to have taken any steps to get the puja properly performed and the general management well conducted by the Valivas.

The Valivatsdar is old and infirm. In his petition of 20<sup>th</sup> October 1905 (Kist no 3), he requests sanction to transfer the Temple Valivat to his son-in-law D Nagappa name. In his Kypthiyah of the 21<sup>st</sup> idem (75), he expresses the desire that till his son Appunaga — a boy 7 years of age — attains the age of majority, his son-in-law who is managing his family affairs, may look after the Temples also and the latter has agreed (76) to attend to the temple duties in obedience to the orders of the authorities. The Valivatsdar has another son Komarali (perhaps by

The dispute commenced in August 19, with the petitions of Anchari Seshi Sonayya (since deceased) who complained that he had not been paid his arrears of pay and that manual services are not being conducted in the temples (71). During the Amlokar's enquiry, the Valmiki-dan produced kharch patta showing the income and the exp<sup>se</sup> of the inst<sup>ns</sup> (7751) and stated that the p<sup>re</sup> owing to the could not perform puja and his nominee could not be accepted, as his sister who had been thrown out of caste, was living with him and that puja work had to be performed by only 2 Anchaks (but subsequently - raised to 3). In his petition of 25-11-1905 (711), the Valmiki-dan brings to notice that the temple buildings were badly in need of repairs, that some treasure hidden by his ancestors were found therein and requests that a portion of it may be utilized towards the repairs. He complains that one

It will be clear from the above that the main income of the Temple is the Malabar land, and the amount of Rs. 272-1-0.

The portion of the Malabar land on the enjoyment of the Temple yields 24 Chitai Kharis of paddy and 9 mounds of areca-rind.

These are valued at Rs. 24-1-0 by the Valmiki-dan and at Rs. 36-7-2 by the Amildar.

Though the jodi payable on the Temple land is Rs. 62-8-6 still a sum of Rs. 10-0-0 is being paid from the Temple funds as all the lands are still in the possession of the Temple.

The title of the land is in the Amildar's name. Perhaps the Archak might complain as this is also an amount of Rs. 25 in cash and 20 Kharis of paddy will have after be Rs. 20 in cash and 13 Kharis.

It will be seen that the Temple expenditure (excepting the Kharayan and repairs) is first covered up by the cash fund.

The Kharayan might be paid out of the income of the land. This source might be drawn upon for repairs also. Further there is the sum of Rs. 10,000 and this is used there on the Temple used for extensive repairs when the Temple has a cash fund. I do not

Though this Inam is borne out by the entry in the gari account yet it does not appear to be a valid grant and consequently it has been brought on the Chor Inamty list. I would therefore enfranchise it on  $\frac{1}{2}$  Duit Rent viz Rs. 21-11-2 Compulsory.

Abstract of the orders already issued by the Commissioner or the Superintendent of the Division on lapses regarding validity or excess of the Inam. Assistant's opinion and recommendation

~~Reason by the Special Assistant and confirmation by the Inam Commissioner~~

This is a part and portion of the Inam granted for the Kullayani Agrahar. The grant is valid and is borne out by the jary accounts quoted in Columns 13 & 14. The forest is subject to the reservation contained in the Chief Commissioner's Notification of 20<sup>th</sup> June 1869.

The Pongri on Dushita land has now been imposed.

Shamaachary contends that 24 aul pagodas of land alluded to in the old account for Varaha devan should now be registered in the Pagodas name. From the particulars given in the 1<sup>st</sup> Subsequent jary account of 1832 it is clear that the Pagoda has lost its Inam which has otherwise been disposed of by the same account. The Pagoda is not in the enjoyment of this Inam ever since. Shamaachary's request is therefore, rejected.

To be confirmed on 1/8 duit Rent excluding Devadayam grant, No 6-12 5 plus 2ndy 69-04

in all Rupees 75-12-9 or Rupees 76. agreed to

Institutions fairly well  
has latterly not been

Directing the assumption by Government of the management of the temples of Sri Anjaneya Devaru, Subrahmanya Devaru and Gopalakrishna Devaru in Kesaravalli village in the Srirangapatna Taluk with their endowments, and approving of the scale of income and expenditure in the said temples.

*Proceedings of the Government of His Highness the Maharaja of Mysore.*

READ—

1. Letter No 123—M. 29, dated 3rd October 1910, from the Deputy Commissioner of the Shimoga District, recommending that the temples of Anjaneya Devaru, Subrahmanya Devaru and Gopalakrishna Devaru in Kasaravalli village, <sup>Near Taluk</sup> Shikaripur Taluk, may be taken over under Government management.

2. Correspondence ending with letter No 78, dated 30th March 1911, from the Inam Superintendent in Mysore, forwarding extracts from the Inam Registers relating to the endowment of these institutions.

No. 108-9—Muz. 229-10-8, DATED BANGALORE, 12TH JULY 1911.

ORDER THEREON.—The temples of Anjaneya Devaru, Subrahmanya Devaru and Gopalakrishna Devaru at Kasaravalli are Muzrai institutions enjoying malnad cash grants amounting in all to Rs. 272-13-0 and payable at the Koppa and Tuthahalli Taluk Treasuries. The institutions are also endowed with inam lands, of which the major portion seem to be in the possession and enjoyment of people who look upon them as their private property.

2. The records show that Vahivatdar Subbanniah, who was maintaining the institutions fairly well, has latterly not been paying the archaks in due time. He lives at a place 4 miles away from the temples and is also old and infirm and has prayed for permission to make over the management to his son-in-law. He has admitted that he has not maintained separate accounts showing the income and expenditure of these institutions. In these circumstances, the Deputy Commissioner, with a view to maintain the institutions efficiently, recommends that the temples with their endowments may be assumed directly by Government without the intervention of a middleman. This recommendation is sanctioned. The scale of income and expenditure submitted by the Deputy Commissioner and approved by Government is appended to this Order.

3. As the annual income of these institutions is more than Rs. 250, the Comptroller to Government is requested to jointly register these temples as a major institution, and also to issue instructions for the monthly disbursement of the mahad cash grants for meeting the charges for establishment and paditara as per scale hereto appended.

4. The Deputy Commissioner is requested to take the necessary steps for getting back for the institutions all the mam lands referred in the enclosure to his letter No. 261-147, dated 18th February 1911.

Steps should also be taken to get back the vessels and other movable property of the temples, stated by the Vahivardar to be in possession of one Puttamma.

5. The Deputy Commissioner is further requested to recommend the appointment of a few dhamdarsis including among them the valhiyatdar or his son-in-law to supervise the affairs of these institutions.

Directing the assumption by Government of the management of the temples of Sri Anjaneya Devaru, Subrahmanya Devaru and Gopalakrishna Devaru in Kasaravalli village in the Sharavathi Taluk with their endowments, and approving of the scale of income and expenditure in the said temples.

*Proceedings of the Government of His Highness the Maharaja of Mysore,*

## READ—

1. Letter No 123—M 29, dated 3rd October 1910, from the Deputy Commissioner of the Shimoga District, recommending that the temples of Anjaneya Devanu, Subrahmanya Devanu and Gopalakrishna Devanu in Kasaravalli village, ~~Shimoga~~ <sup>Norfolk Taluk</sup> Taluk, may be taken over under Government management.

2. Correspondence ending with letter No 78, dated 30th March 1911 from the Inam Superintendent in Mysore, forwarding extracts from the Inam Registers relating to the endowment of these institutions.

NO. 108-9—Muz. 229-10-8, DATED BANGALORE, 12TH JULY 1911.

ORDER THEREON.—The temples of Anjaneya Devanu, Subrahmanya Devanu and Gopalakrishna Devanu at Kasaravalli are Muzai institutions enjoying malnad cash grants amounting in all to Rs. 272-15-0 and payable at the Koppa and Tithahalli Taluk Treasuries. The institutions are also endowed with inam lands, of which the major portion seem to be in the possession and enjoyment of people who look upon them as their private property.

2. The records show that Vahivatdar Subbanniah, who was maintaining the institutions fairly well, has latterly not been paying the archaks in due time. He lives at a place 4 miles away from the temples and is also old and infirm and has prayed for permission to make over the management to his son-in-law. He has admitted that he has not maintained separate accounts showing the income and expenditure of these institutions. In these circumstances the Deputy Commissioner, with a view to maintain the institutions efficiently, recommends that the temples with their endowments may be assumed directly by Government without the intervention of a middleman. This recommendation is sanctioned. The scale of income and expenditure submitted by the Deputy Commissioner and approved by Government is appended to this Order.

3. As the annual income of these institutions is more than Rs. 250, the Comptroller to Government is requested to jointly register these temples as a major institution, and also to issue instructions for the monthly disbursement of the malnad cash grants for meeting the charges for establishment and paditara as per scale hereto appended.

4. The Deputy Commissioner is requested to take the necessary steps for getting back for the institutions all the inam lands referred in the enclosure to his letter No 261-147, dated 18th February 1911.

Steps should also be taken to get back the vessels and other movable property of the temples, stated by the Vahivatdar to be in possession of one Puttamma.

5. The Deputy Commissioner is further requested to recommend the appointment of a few dharinadais including among them the vahivatdar or his son-in-law to supervise the affairs of these institutions.
